

Groundskeeper (Public Works Department)

The City of Twin City is now accepting applications for a Groundskeeper position. This is a part-time, year-round position with no municipal employee benefits. The City will provide 20 hours per week year-round, with an option for additional hours up to 29 hours per week as needed. The duties include clearing rights-of-ways of debris, cutting grass with a riding or push mower, using a weed eater and an edger, trimming hedges, and landscaping in parks, flower beds, and along roadways of the city. The position will also assist the Public Works Department with any special projects.

All interested applicants should download and complete an employment application online at www.twincityga.com and return it to the City. For more information, interested applicants may contact Genia Ducker at City Hall at (478) 763-2695.
